Purpose:

Love

(An Awareness of Oneness that Changes All Things for Good.)

Vision: Living as Love in Service to Humanity

The intentions of my Ministry are:

1. To fully embody, express and experience the Consciousness of Christ as the Presence and Power of Love in this world.
2. To awaken the impulse within every human soul to live more fully in the Consciousness of Christ.
3. To facilitate the emergence of a personally realized 'Universal Spirituality' that will serve the highest and greatest good of all Humanity.
4. To reveal the 'Science of the Resurrection' through the development of new techniques and transformative tools that will allow every human being to have a more abundant experience of Life through the expression of Love.
5. To fully release my belief in death, in order to reveal the Resurrection and the Life of Jesus Christ 'come again,' from the inside out of me, as a 'Heavenly Body,' that all the world can see.

"I am the resurrection, and the life: and those who are like
me shall not perish but have everlasting Life.." ...John 11:25, 3:16
